#### 1. Welcome/ Introductions

#### 2. Committees and Discussions:

- Garden irrigation – Debbi Edwards, school counselor, is trying to bring the garden back to life. O'Tooles donated plants. She is looking for parents to donate their time to water the garden. Contact her if interested.
- Scurry – push out to Spring this could help to gain more corporate sponsors and hopefully our kids would have a regular school year. And bring in an outside source to change the focus of the event. Steve Holcomb will explore other companies.
- Book Fair plan – we were going to bring the book fair back and then COVID derailed the plans. Ms. Gregory likes using Follett. The catalog is better with them and a higher percentage. We are going to do a virtual book fair in October. Annemarie Behrens said her child's school used Follett. And it was easy and provided 25% back.
- Yearbook – keep taking photos of home schooling and any school events.
- Spiritwear – on the website. CCE swag with a logo of your choice. There are monthly specials. Please let Lyndsi Kocher know any pros or cons.
