

CCE PTO Meeting Agenda

Tuesday, May 3, 2022

6:00-7:00pm

- II. Debrief of Recent PTO events

 - i. Looking into other companies for next year to compare to Boosterthon, looking to use a company that takes a smaller share, which will mean we will need more volunteers next year. Donating a flat sum is less confusing than donating per lap, and requires fewer volunteers. Ideas for next year: if we reach a certain level of donations, then the event itself gets more fun (ie. DJ/music, silly string, bubbles, color powder, Kona Ice, bounce house). Coyote Creek swag might be better for prizes.
 - ii. Potentially move it to the fall next year, would help to have a specific school item to raise money for
- III. Financial Update
 - Casa Caliente: \$125, Freddys: \$166, Chipotle \$352
 - King Soopers: \$1900 for the quarter
 - 2nd semester teacher grants: waiting on that info
 - Teachers got \$400 per grade level from the Scholastic Book Fair to use on classroom books
 - Scurry raised approx. \$22k
- IV. Upcoming Events
 - End of Year Bash: Friday May 13th from 3:30-5:30pm, Kona Ice
 - Summer Carnival: Saturday August 20th from 5-7:30pm, paid deposit for Artsy Face (face painting and balloon animals), 4 food trucks booked

VII. Open Discussion

- Library is in need of upgrades – new tables, more cozy seating, lighting, more artwork, better projector setup with a big screen TV, reading nook with risers to read to the kids
 - i. Kirsten Sola will take it to the staff for ideas, PTO could fund this project
- EduKits – may be ready to send out by the end of the week, teachers finalized their school supplies
- Teacher Appreciation – consider renaming our CCE staff appreciation during conference week so that it's not confusing for parents, so it doesn't get confused with the national teacher appreciation week
- New faculty next year – could PTO sponsor an event to help welcome the new faculty in August. Talk to Amy Rahne to see what is planned and how PTO can support.

VIII. Next PTO Meeting Date

- Discussion around changing the dates for next year, consulting with SAC to see what date works best for people

IX. Adjournment
