 - Restaurant nights:
 - Mici's raised \$185
 - Spring Bookfair did well financially - about the same as last year.

III. Feedback on Recent Events

- Book Fair / Breakfast & Books (March 11-14)
 - Having the TRHS volunteer help was great!
 - Pivoting to have Breakfast and Books before the Snow Day was very helpful.
 - Sydne will chair next year - yay Sydne!!
- Staff Appreciation Week (March 11-15)
 - Mrs. Rahne is rescheduling the conferences to a little earlier next school year.
 - In an effort to streamline and make it easier for parents to support and volunteer the PTO will handle Breakfast and Books on its own next year
 - We will only ask for donations and volunteers for Teacher Appreciation Week and BookFair. We think this will make it less confusing and easier for parents to contribute.
 - For Teacher Appreciation week signup we may just ask for easy donations like drinks, coffees, and snacks and take care of the teacher meals as the PTO.
- Restaurant Night – Mici's (March 26)
 - Made \$185
- Drip Art & Drumsticks art fundraiser (April 3)
 - It was kind of a quick event but everyone had a lot of fun and the artwork turned out beautiful!
- Edukits
 - Teachers are working on less supplies to see if it fits under the cap of \$65

- Kim is learning everything she can from Denise and is working on the communications with the dedicated rep.
- Kim will be the lead on Edukits next year - go Kim!!
